

I would like to let you know that my family and I are both supporters and listeners to K-LOVE. Having Christian radio to listen to is very important to my family, as well as thousands of other families in the Greater Cincinnati area. There are lots of choices in our area as far as secular radio is concerned, but for K-Love to disappear so that just another secular station might appear is a very bad idea in my opinion. Having a national service have local translators in local areas is a very cost effective way to operate. We have had several attempts in our area to launch low power regular stations, but they have gone off the air due to the large initial costs. Please allow K-Love to continue!

Thanks
